

CSE Basic Science Elective Courses

Students must select, with the approval of a faculty advisor, two additional basic science courses needed to satisfy school and department requirements from the following: two courses approved for General Education category II except those offered by CSE, ECON, ENGR, ICS, or MATH.

CSE Technical Elective Courses

Students must complete a minimum of two courses (with 3 or more units each) of technical electives. A technical elective may be any upper-division course from the Departments of Computer Science, Electrical Engineering and Computer Science, or Informatics, not otherwise used for the CSE degree, chosen from the following ranges:

Computer Science: 100-189

Electrical Engineering and Computing Science: 100-189

Informatics: 100-139
