## Library cards

Have your UC Irvine photo ID card "activated" at any of the Libraries' Loan Desks. You must bring your card with you to have it activated.

## PINs & MyANTPAC

Get a Personal Identification Number (PIN) at the Loan Desk of any library. With a MyANTPAC account you may use Express Checkout, see what you have checked out, verify due dates, verify and change your home or e-mail address, place holds and recalls, and do your own renewals.

## Loan Periods

Undergraduates have a 28-day loan period at Science and Langson Libraries; graduate students have a 90-day period.

## Computing in the Libraries
