FAVORITE HOBBY
I love lettering and practicing calligraphy. It’s my favorite de-stressing activity after a long day.

FAVORITE FOOD
There’s nothing like authentic, home-made Mexican food, especially Sopes.

FAVORITE CLASS
MAE 150 (Mechanics of Structures) with Professor Buswell was my first upper division course and I absolutely loved it. It reassured me I was pursuing the right career.

I ENJOY EATING:
Noodles! ramen, udon, pho, taiwanese beef noodles to name a few.

I LIKE TO:
Rock climb and listen to Podcasts. My favorite shows are This American Life, How I Built This, The Vergecast, and Pivot

MY FAVORITE CLASS IS:
EECS 170C (Electronics III) Dr. Green is a fantastic professor who is both challenging and engaging. He really cares about his students.
