

Satisfactory Academic Progress Agreement for New Engineering Students (Change of Major)

I acknowledge that I have been approved for the following major: _____
It will not be possible to switch into a different engineering major at a later stage.

I understand that I am required to make Satisfactory Academic Progress (SAP) in order to remain in good academic standing. Making SAP includes:

1. Maintaining at least 12 units each quarter.
2. Maintaining at least a 2.0 quarterly GPA each quarter.
3. Maintaining a cumulative GPA of 2.0 or higher.

If I fail to meet SAP requirements, I understand that I will be placed on Academic Probation (AP) for the period of at least 1 quarter.

I also understand that I may be required to exit the School of Engineering if my quarterly GPA falls below a 1.5 or if I am on Academic Probation for 2 consecutive quarters.

If I am required to exit the School of Engineering, I agree to work with an academic counselor to develop a plan of study to change my major.

I acknowledge that I have been made aware of the academic resources that are available to me on campus. These resources include but are not limited to OAI tutoring, departmental tutoring and LARC.

I understand that I am responsible for meeting degree requirements and for seeking guidance from an academic counselor as and when needed.

Please note that this SAP agreement is with The Henry Samueli School of Engineering ONLY. It does not partner with or supersede any SAP agreement with the Financial Aid Office.

By signing below, I confirm that I have read and understand the Satisfactory Academic Progress policy.
