Enrollment exceptions are used to add, drop, or change a course after the [enrollment deadline](#). Upon submission, your exception request will be forwarded for review to:

- the instructor of record for the course, if applicable; and
- the school of the course, if applicable; and
- the school of your major.

After the second week of instruction, a single fee of \$3 will be charged for all approved enrollment transactions that are submitted on the same day, and will be billed on ZOT Account Online.

You are responsible for monitoring the status of your enrollment request through StudentAccess. Additional information may be requested and you will need to provide this information in a timely manner.

Note: Requesting an exception is not a guarantee that it will be approved.
